2. Reasons for dividends from surplus

The Company views the improvement of its market capitalization, through the creation and expansion of corporate value, and continuous profit distribution as important issues to be addressed.

With respect to the year-end dividend for the fiscal year ended September 30, 2022, it decided to pay 8 yen per share, as planned, with a view to maintaining a stable dividend. Accordingly, the annual dividend for the fiscal year ended September 30, 2022 is expected to be 16 yen per share, the same as that for the fiscal year ended September 30, 2021.
